# PRINCESS LAVIMAR

## INTRODUCTION

'LAVIMAR' is an absolutely stunning example of the incredibly popular Princess 54 Flybridge Motor Yacht. 'LAVIMAR' is the only Princess 54 to be fitted with 2 x Volvo Penta 900's capable of powering her to speeds in excess of 35/36 Knots!

'LAVIMAR' is in truly incredible condition as can be seen in her photographs, video and our 3D Virtual Tour. Meticulously maintained as her owners' pride and joy this is a unique opportunity to own without doubt the best Princess 54 ever to hit the brokerage market.

Her Full Beam Master Cabin boasts a spacious en-suite bathroom, oversized hull windows and 32" Samsung flat screen Television. The Forward VIP Cabin is also en-suite whilst her midships twin cabin shares the forward en-suite through the 'Jack and Jill' door in the lower hallway.

## LAVIMAR

The Princess 54 is a particularly clever layout with a large open plan galley with full size fridge/freezer, dishwasher as well as microwave combination oven and ceramic hobs.

The saloon boasts a rise and fall electric television as well as a drinks fridge and ample storage opposite the lower saloon's U-Shaped seating area.

'LAVIMAR' really is a unique opportunity on the brokerage market and simply cannot be compared to other Princess 54's.
